# Consensus-Based Decision Making

## General Information

*From GCRNA Policy and Procedure*

1. Topic is introduced.
  - All topics must be written on a topic form and given to the Facilitator (Area Chairperson) to ensure it is a valid topic.
2. The Facilitator opens the dialogue.
  - Begin with the maker of the topic.
3. Clarifying QUESTIONS are taken.
  - This is when questions are asked to ensure all participants understand the topic.
  - This is not the time for general discussion.
4. Facilitator asks for concerns or reservations.
  - This is the time when general discussion occurs.
  - This is when modifications may be made to the topic in an effort to address expressed reservations or concerns.
  - Maker of the topic and other participants may offer modifications.
5. Facilitator asks for consensus.
  - There are four positions a GSR may take on a topic.
    1. ASSENT: agree with the topic
    2. ASSENT w/ RESERVATION: although there are reservations or concerns, the individual will trust and go along with the body's decision
    3. STAND ASIDE: based in strong personal reservations which prevents support for the topic
    4. BLOCK (NO): based on spiritual principles expressed in our Traditions or Concepts
      - a. A block must be followed by speaking to a specific Tradition or Concept which would be violated.
      - b. A block would prevent a topic from being adopted.
  - Consensus is reached when 80% of the GSRs are in Assent or Assent with Reservation.
    - The number which represents 80% shall be determined based on the number of GSRs present at the start of Old Business.
  - A block can be overridden by the body.
    - If the validity of the block is not questioned, the block will stand and the topic is not adopted.
    - If the validity of a block is questioned, the body must then reach consensus on whether the block should stand. The same process is used for this as for reaching consensus on a topic.
    - If the block is overridden, the facilitator will again ask for consensus on the topic.

## What is CBDM?

- A way for a group of equals to make decisions. The process rests on the fundamental belief that each person has a piece of the truth, but not one person has the whole truth.
- A solution acceptable to everyone
- An agreement on some decision by all members of a group, rather than a simple majority

## How does it work for us?

- Assent: This means that the Trusted Servant supports the Topic
- Assent with Reservations: Trusted servant can support topic in spite of reservations
- Stand Aside: Trusted Servant does not support the proposal, similar to a "no" vote
- Block: Trusted Servant believes that a Traditions or Concepts are directly violated by topic

### • 2<sup>nd</sup> Tradition

"For our group purpose there is but one ultimate authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern". (reprinted from Narcotics Anonymous 12 Traditions)

### • 12 Concept

"In keeping with the spiritual nature of Narcotics Anonymous, our structure should always be one of service, never of government". (reprinted from The Twelve Concepts of NA Service)

### • Seventh Concept

*"All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision-making processes".* (reprinted from The Twelve Concepts of NA Service)

### • Ninth Concept

*"All elements of our service structure have the responsibility to carefully consider all viewpoints in their decision-making processes".* (reprinted from The Twelve Concepts of NA Service)

<b>Robert's Rules of Order</b>	<b>Consensus Decision Making</b>
Competitive, win/lose	Problem-solving, cooperative
Discussion constrained by motion	Multiple concerns and info can be considered
Discussion takes the form of a debate with a win-lose approach.	Discussion involves active listening and sharing information.
constraints are placed on the order and frequency of speaking.	Norms limit number of times one asks to speak to ensure that each speaker is fully heard.
Differences resolved by voting on motion.	Differences resolved by discussion. Facilitator identifies areas of agreement and names disagreements to push discussion deeper.
Chair calls for a vote.	Facilitator articulates the sense of the discussion, asks if the body understands topic and is ready to reach consensus.
Winners and losers are identified. Decision belongs to the winners.	Group as a whole is responsible for the decision, and the decision belongs to the group.
Chair's vote can determine the decision when votes are tied.	Facilitator can discern if a minority concerns' warrant a delay in a decision.
Dissenters' perspectives suppressed in majority vote.	Dissenters' perspectives are embraced and incorporated into decisions.

### How does it work for NA?

- If we do not have 100% consensus we begin discussion to address the concerns
- Proposal may be modified during the discussion
- Test for consensus
- If after modifications and discussion there are still reservations, ask for and count Assent and Assent with Reservations
- If number does not meet set percentage (set by service body and is usually 80% to 100%) you do not have consensus
- If number is more or equal to set percentage you have consensus

### Does CBDM take longer?

- Sometimes, but not always
- Takes practice
- Facilitator key to process
- Monitor time and mood of the room

### Region report

Hi family I'd like to start out by saying thank you for letting me serve. A's you all know I got to jump right in the following weekend at region. The first meetings was the PR and h&I and i was unaware that I was to set in till they was all most over how ever I did see that Mike was in the PR meeting . If we do not have a chair for h&I I will make sure to be present. My first meeting was a cat/car presentation to discuss the last world meeting. There was 112 seated region delegates that had a vote. The motions that was sent back and to be voted on at world this time was as followed.

1. To approve the new traditions book. approved we voted yes
2. To change the size of board from 18 to 15. Approved we voted yes. There was  
a change in how the staggering would go if 8 or more new board members came in at one time and can now only serve two terms in a lifetime.
3. To make a better pamphlet on mental illness and recovery.  
Approved we voted yes
4. To approve to have world mins on naws web site.  
It failed we voted yes
5. To make a detailed financial report instead of a summary. It  
failed we voted yes

6. That all board meetings be open to all Na members unless required by law to be confidential.  
Failed we voted no
7. To make wsc participants discussion board on Na.org accessible to non wsc participants  
Failed we voted no
8. To have world produce a low cost basic text. just the first ten chapters.  
Failed we voted no. The one that put in the motion voted against there own motion !
9. For world to post a full PDF download of basic text on web.  
Died for lack of 2nd
10. To hold every other wsc outside of us and for 2020 to be in Russia  
died for lack of 2nd
11. Allow a delegate from any currently existing zonal forum who request to have a seat wsc  
in 2018 to seat as non voting participate only it was  
passed but some wording had changed and did not set well with all
12. To add what is Na service card as part of the readings offered at wso  
failed we said no
13. That each world board member votes in all sessions  
failed we voted no. "board only votes in new business. "
14. That world board or members no longer make motions.  
Failed we voted no

And all of that took several hours to go over there is much much more to go over and discuss but that is all for this report will be breaking the rest down in the months to come

My reimbursement report

Started with \$236.00

Spent \$143.00 breaks down to \$66.60 on room and \$76.40 on milage

Returning \$93.00

Checking account reconciliation for the month ending (located top of statement) ..... June 8, 2016

a. **Bank statement balance** ..... \$1,728.69  
(Ending Balance from your current bank statement)

b. **Deposits "In Transit"** ..... \$647.87  
(Total of all deposits made which have not yet cleared the bank – that is, deposits made by the treasurer that do not show up in the bank statement. A checkmark should be made on the Check Register Form next to deposits that have cleared the bank to aid in location these each month.)

c. **Add the answers to steps A and B above** ..... \$2,376.56

d. **Checks "Outstanding" Total** ..... \$554.11

(Total of all checks written that have not yet cleared the bank. These will be the checks in the Check Register Form that do not appear on the bank statement. Place a checkmark by checks that clears this month, as in step B above.)

NOTE: Use space to right to list individual check numbers and amounts. Show total in space D

e. **Ending Balance** ..... \$1,822.45

***“As long as the ties that bind us together  
are stronger than those that would tear  
us apart, all will be well...”***

## Why Do WE Register??

The money that is collected by registration is used to pay for all event related expenses such as: foods, snacks and beverages provided, printing of programs & flyers, registration packets, badges, cost of the campsites, and merchandise. Additionally, the funds collected are used for the planning of present and future functions. The reason to register is clear once the participants understand that registration fees make this (and future) events possible. It is a donation that helps to make this event a success.
