World Services

Greetings from NA World Services,

We are excited to announce the launch of the 2015 Membership Survey! Every two years we attempt to gather information about our members, and the time to gather that information is now! Some may wonder why we want this information and how we use it. One of the aims of A Vision for NA Service is that NA is viewed as a viable program of recovery. With members from several countries attending the world convention in Rio de Janeiro, and members around the world participating from their homes, we have an opportunity to demonstrate that we are, indeed, a viable and respected recovery community resource. Presenting ourselves in this way helps us offer hope to others that they, too, can recover. We encourage each member to spread the word of the Membership Survey to their friends. We would like as many members throughout NA worldwide to participate.

To fill the survey out online, please go to <http://membership2015.questionpro.com>. If you want to download the survey and fill it out offline, please go to <http://www.na.org/survey>. Translated versions of the survey will be posted on the website as they become available.

Thank you for allowing us to serve.
